

Stars, Stripes & HEAT!

A WISER, SAFER CHOICE!

NORTHSTAR ELECTRICAL SERVICES

PENNSYLVANIA * NEW JERSEY * DELAWARE

Parking Lot Lighting

In the warmer months of summer when the days are longer, it is easy to forget about the importance of parking lot lighting since the sun is generally up before we get to work and still high up in the sky when we're leaving.

However, this is the perfect time of year to maintain parking lot lighting—before it becomes a safety issue for employees and customers alike.

Northstar is able to provide monthly or bimonthly sweeps for exterior lighting. We can make quick repairs in the same trip or quote to return for them as well.

Sometimes there are issues in the underground wiring of the exterior lighting. This may require excavation of the park-

ing lot to make repairs which is much easier to do in the summer—when the ground isn't frozen! This would also include pulling applicable permits as well as ensuring no utilities are located underground where we will be digging.

This is also a great time to upgrade your exterior lighting! If you're not sure how best to upgrade, feel free to give us a call! Our technicians are experienced in a variety of lighting techniques as well as lot orientations and can help you decide what would be best for you!

We are currently working on a project for a customer that is installing Christmas lights around their trees to provide some additional lot lighting and ambiance!

Call today to get started on your lot lighting upgrade/maintenance!

FREE DINNER

Respond to this email and we will enter you in our drawing for a \$50 gift card to your choice of restaurants or other gift card choice*. Good luck!

Congratulations to June's Winner:

Amanda Engebretson

Persona Signs

Respond by July 14th to be entered.

* PF Chang's, Maggiano's, Chili's, Cheesecake Factory, The Capital Grille, Legal Seafood, Season's 52, California Pizza Kitchen, Ruth Chris's Steakhouse, Flemings Prime Steakhouse, Home Depot,

Happy birthday to both Bill & Kevin this month!!

Northstar will be closed on the 4th in observance of Independence Day. Stay safe, cool, and enjoy your holiday!!

Recommend Us!

Northstar has always prided itself on growing as a company based on the word of mouth of our valued customers and needing to use very little advertisement.

As we continue to grow, we are offering a 15% discount on the next invoice to any customers that refer us to someone new!

Simply have the new customer mention that they were referred by you and we will credit your next invoice!

4th of July Crafts

With the kids out of school, you may be looking for something to occupy them that doesn't include electronics. Here are a few crafts that might pique interest in your house and get them ready for Fourth of July festivities.

Q-tip Fireworks

Have some youngsters at home? This craft is simple and you likely already have the supplies!

Click [here](#) for instructions!

Firework Salt Painting

Have kids that are a little older? Try out this neat craft! It also stays pretty simple but involves a little more hand coordination! They can also get a little more involved in the decision making process for how they would like their fireworks to turn out!

Check out the instructions [here!](#)

Edible Flag

Getting ready for a picnic? Volunteer to bring the dessert and have the kids help you! Or, if there will be a lot of kids at the picnic, bring the supplies and have them build their own at the picnic! Another simply project that will accomplish two tasks in one! Patriotic, delicious, and fun! We suggest prepping the strawberries at home though to ensure maximum fun at the picnic!
